

About the Position:

Pelham Together (PT) is excited to offer the part-time position of **Program Director**. We are seeking an energetic and motivated LCSW to design, implement, and supervise a youth therapy program with 2-3 graduate school interns. The launch of this new mental health initiative is in response to the growing mental health needs of youth in our community. In addition to supervision of interns, the Program Director will be part of the team that develops mental health supports, including prevention efforts (i.e. parent groups, adolescent support groups, school collaborations, etc.). The position allows for reduced hours in July and August.

About the Organization:

Pelham Together (PT) is a nonprofit organization that supports and promotes the physical, social, and emotional health and well-being of children, teens and families in our community. We do this through responsive and flexible programming that fosters connection, informs parents and families, and elevates and empowers our youth.

If you are interested in being a part of a small, grass-roots nonprofit organization with the ability to have a direct impact on the emotional and mental health of youth and families in the community, *this is the role for you.*
